DALLA CORTE

XT BARISTA - 2 GROUPS

CREATIVITY XT, a name that recalls precision, consistency and creativity. Customize extraction recipes and create a unique vision of coffee, maintaining full control over the extraction.

DROP BY DROP CONTROL With the manual flow regulator you can create your own extraction profiles. Freedom from external instruments and better workflow, thanks to the Real Time Weight control.

UNIQUE, ALWAYS Create your flow, choose your portafilter, with the option of integrating a 58mm portafilter as well as a 54mm one. All the flexibility you need and your personal touch in every cup you make.
